Hi Ladies,

The next meeting of our Ladies' Book Club will be held on the **second Monday of May-- the 14th** at 7 p.m. (Note the change from the third Monday for May only.) We will be discussing the book, "**The Reason**" by William Sirls.

This novel is about second chances and to only believe. Three characters in the book are a blind minister, a young oncologist and a single mom who are wrestling with the questions: Where is God when bad things happen, and does God ignore the prayer of the faithful?

See you in May!

Judy Corbin

## PASTOR'S POINTS

### Team Effort

I am so proud of our team. With the build-up to Easter and all the extra activity, no one missed a beat. From worship to children's to youth to our elders and key leaders, everyone stepped up and gave us a wonderful Holy Week.

Does that mean we were perfect? Absolutely not. There are things that we learned and will do differently next time, but perfect isn't our goal. Our goal is to be united and together to achieve God's purposes. For us (as a reminder), our goal is to "extend loving community to our neighbors who need it with the grace and truth of Christ." We did that over the week of Easter. Good job, everyone, and thank you for your part.

I am convinced that people aren't as impressed by flawlessness as they are by effort. Think about it. Perfection is nice to see, but isn't necessarily inviting. You want to watch perfection, but are a little intimidated to join it. On the other hand, a team effort shows people that everyone (anyone) can play their part.

My hope is that as we move forward as a church, we are clear about what we are shooting for. We want to be a church where everyone can contribute, and that the energy and joy of our people is what attracts others to us.
