In Loving Memory

We extend our love and sympathy to the family of Norman Nagel, who went to be with his Lord on Wednesday, July 25.

Norman was a long-time member of our church family and loved to help with the Simple Supper ministry. His gentle spirit and servant's heart will be greatly missed.

The Memorial service will be held on Friday, August 3, 2018, at 1:00 p.m. in the Cornerstone Fellowship Hall.

Wednesday Evening Beach Fellowship

Visit the Cornerstone Café in the East overflow between church and Sunday School.

The weather is hot and the iced coffee is delicious. Come enjoy a treat. This is a way to help support the Café, Worship, and Youth Ministries.

LADIES' CRAFT DAY

The next Ladies' Craft Day is Friday, August 10, 10:00 a.m. to 2:00 p.m.

As usual, bring your own projects to work on, your lunch, snacks and drinks.

Last month a speaker from Samaritan's Purse brought information on that organization's projects for their Christmas Boxes in case anyone is interested in participating.

Whether you want to become involved in making those projects like "little dresses for Africa", or sew for other charity passions, or just sew for your own kids, grandkids, quilting, home dec, etc., you are probably aware how many of these require the use of bias tape/binding. To purchase ready made tape can become expensive not to mention have color and/or pattern limitations.

Allene McDowell from Knots & Needles will be at this gathering at 10:45 a.m. to show anyone who doesn't already know, and is interested in learning how to **make your own continuous bias tape/binding** from various sized fabric squares.

Adopt A Planter

Whether you like to garden, enjoy a challenge, or just want to help our church become self-sustaining, contact Mike Schrimsher, Maintenance (714-473-0523), to volunteer and see how you can help. He has a map of the planters on our property that need to be cleaned, weeded, and maintained, and many of our congregation have already chosen "their planters" to work on to fit their own schedules. He would appreciate hearing from you.

Trust

My grandmother used to make some of the best food. She doesn't cook much anymore, but when I was a kid, I couldn't leave her house without a full stomach. I think it was how she showed her love for us. At certain holidays, I couldn't wait to eat what she would bring.

The reason I share this story is because I trusted that my grandmother's cooking would be good. I didn't wonder or question or worry; I knew she loved to cook what we love to eat, because of her love for us. I think our church is very much the same way. There are so many people who love our church and care about where it is going and how it is changing. What we have to remember is that the people who are leading those changes love the church just as much as you or I do.

During this season of change, I pray that we would grow in our trust for one another. I pray that we would work as a healthy team; doing our part and trusting others to do theirs. I may not understand how or why my grandmother did certain things when she cooked, but I knew I would love the outcome. I believe the same is true for us.
