We need a few more helpers in Awana (now **Kids Blast**) this year to listen to kids say verses and encourage them to grow in their faith. We will have over 50 kids on our campus every Wednesday night and it takes many volunteers to share the love of Christ with them! Will you join us every Wednesday night; how about twice a month? We will train you!

Contact Ann Minch at ann_minch@yahoo.com or Shannon Duffy at sduffy@beachbible.org for more information or to volunteer.

Coffee Time

Visit the Cornerstone Café in the East overflow between church and Sunday School.

The weather is hot and the iced coffee is delicious. Come enjoy a treat.

Your donations help support the ministries of the café, the worship service, and youth projects.

A huge thank you from Casey and the Café crew to the wonderful group of people who have been so faithful in cleaning up after our Sunday coffee time:

Joe & Connie Scott	Glen Simpson	Carol Setian	Jim & Carolyn Poppen
Mike & Sunny Schrimsher	Pat & Janet Feurtey	Bill & Jeanette Johns	Naomi Wheeler
Juan & Christy Gomez	Steve & Margie Peck	Barbara Stevenson	

Please take a moment to say thank you to them. And, to consider volunteering to serve on the team.

For those of you who have wanted to serve the church but didn't know where - this is a perfect place to start. We are looking for replacements who can donate about 25 minutes of time, one Sunday per month. Please contact Connie Scott at 562-438-9193 for more information or to be added to their helper list.

PASTOR'S POINTS

Pastor's Point

Dear Church,

Well, the summer has drawn to a close. It was a great summer for me and my family. With visitors from all over and opportunities to really enjoy all that Huntington Beach has to offer, it went a long way to help us know our city better. If you can believe it, we are still adjusting. But we aren't the only ones adjusting.

It was also great summer for change. Casey DuVall has really spearheaded the sanctuary remodel. Life Groups are getting organized. AWANA is operating under the name "Kid's Blast" in order to better reach out neighbors. I mention these things to remind us that change happens, whether we like it or not. Yet, it is far more encouraging when that change is a result of prayer and planning.

Change also brings unknowns and sometimes fear. We can feel like we aren't in control, which we are not. However, when change is a product of prayer and careful planning, the unknown isn't something to fear, it is something into which we venture. Remember who is leading us forward into change... God and faithful followers of God, people who desire nothing more than to see us thrive and be a blessing to our community.

I trust God to lead us well. I believe He speaks to all of us. Let's continue to listen for His voice and follow where He leads.
